

# WHAT THEY'RE SAYING ABOUT COVID-19

Partnership to Fight  
Infectious Disease

When it gets approved by the FDA... I would take the vaccine and I would recommend that my family take the vaccine."

**Anthony Fauci, MD,**  
*Director of the NIH  
National Institute of  
Allergy and Infectious  
Diseases (NIAID)*

There will be no shortcuts. This vaccine will be safe and effective, or it won't get moved along."

**Vice Admiral Jerome  
Adams, MD, MPH**  
*United States Surgeon  
General*

The FDA houses the most brilliant scientists in the world. When they say it's ready, it's ready and I'd be the first to take it and show that."

**Stephen M. Hahn, MD**  
*Commissioner of Food  
and Drugs, United  
States Food and Drug  
Administration*

With high uptake, COVID-19 vaccines have the potential to save many lives in the United States that may otherwise be lost. And saving as many lives as is possible must be the goal that we strive to achieve together."

**Peter Marks, MD, PhD**  
*Director of FDA's Center  
for Biologics Evaluation  
and Research (CBER)*
